A veteran of the DFW music scene, bassist James Young has provided the driving bass groove in some of the area's best tribute and original bands. James gives a high amount of attention to detail and strives to honor the original versions of Foreigner's classic songs. A few of James's top influences include Steve Harris, Eddie Jackson, Tony Levin, and Nigel Harrison. Gear includes Rickenbacker basses, Fender basses, Hartke amps, Tech21 Sansamp, Crown power amps, and Avatar speakers.
